Ø40 mm

Faretto per interni a doppia emissione di luce, di facile installazione a parete, con molle.

Il design, sobrio ed elegante, si raccorda in maniera fluida alla superficie di montaggio, in un rapporto di continuità con gli elementi architettonici.

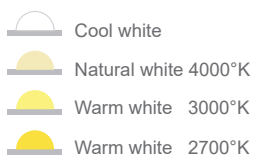

Pensato per spazi contemporanei l'apparecchio è ideale per valorizzare spazi ed ambienti con discrezione, linearità ed eleganza.

Double light emission indoor spotlight, easy to install on the wall, with springs.

The design, sober and elegant, is fluidly connected to the mounting surface, in a relationship of continuity with the architectural elements.

Designed for contemporary spaces the device is ideal for enhancing spaces and environments with discretion, linearity and elegance.
